

PAINE'S CELERY COMPOUND

Is the Only Medicine That Can Promptly and Permanently Banish All Wasting and Dangerous Diseases.

It Restores Lost Health When Physicians Pronounce Your Case Incurable

It, in springtime, sick people—young and old—act with promptness, wisdom and decision, suffering, agony and misery would never be carried into the summer months.

To delay the work of banishing disease, regulating the nerves, purifying the blood and restoring perfect digestion is a serious mistake.

When the blood is sluggish, impure and poisoned, when the nervous system is unbalanced, when digestion is deranged and the appetite poor and variable, be assured your condition is critical and call for instant attention before the summer months bring additional dangers.

At this time the use of Paine's Celery Compound will do a marvelous work for every run-down, sick and diseased man and woman.

Its life-giving work first commences with the blood, which is made clean and pure; then the nerves are quickly set in order, digestive vigor is fully restored, the appetite is made natural, sleep is refreshing and the desponding heart is made light and joyous.

It is well to bear in mind that Paine's Celery Compound owes its origin to the most distinguished physician that this American continent ever produced, and his marvellous prescription is publicly endorsed by our best and ablest physicians.

If all sufferers who have been disappointed in the past will promptly start with Paine's Celery Compound, they will be astonished and delighted with the speed with which this wonderful remedy is able to call a halt to wasting and dangerous diseases. It is now making tens of thousands well and strong and fitting them to enjoy the summer months, which, to the well and strong, are pleasurable and happy.

DIAMOND DYES are the simplest dyes made. A child can use them.

ASYLUM BOARD APPOINTED. Managers for the Farmington Institution for Insane.

REPUBLIC SPECIAL. Jefferson City, Mo., April 28.—Governor Dockery to-day appointed the Board of Managers of the Farmington Hospital for the Insane No. 4, located at Farmington.

Following are the members of the Board of Managers, all of whom are citizens of Missouri: Hiram C. Frantz, R. N. Anthony of Fredericktown, Madison County; M. P. Cayton of St. Francis, St. Francois County; Doctor Theodore Franz of Commerce, Scott County; Doctor C. M. Winter of Madison, Boone County.

REPUBLIC SPECIAL. Kansas City, Mo., April 28.—It is the opinion of local railroad men generally that the Santa Fe Railway is the buyer of the St. Louis and Kansas City Colorado and Virginia Ferry. At first it was believed that the extension into Kansas City of the new road would be over the Frisco system tracks. Now it is stated that the road will connect with Santa Fe near the Frisco terminals.

REPUBLIC SPECIAL. Topoka, Kas., April 28.—M. A. Low, general attorney of the Rock Island Railroad West of the Missouri River, denies that his company is trying to get into St. Louis. He says his company, as far as he knows, is not trying to beat the Santa Fe into St. Louis.

REPUBLIC SPECIAL. Missouri Supreme Court. Jefferson City, Mo., April 28.—Supreme court in banc met to-day with all the judges present for the hearing of the April term. The case of the Crawford vs. Colorado Island Railroad Company was argued and submitted. The case involves the constitutionality of the trial jury law. The case came from Buchanan County, where the plaintiff had been given a verdict, which was set aside by the trial judge, and a motion for a new trial granted, to which the plaintiff appealed.

REPUBLIC SPECIAL. St. Louis Quarry and Construction Company vs. Donnell, two cases; appeal dismissed. McLanahan vs. Miller, motion to affirm filed by respondent.

WESTERN MARYLAND INSURED TO WABASH

Baltimore Council Passes Fuller Syndicate Bill to Second and Third Readings.

ALL OTHER BIDS TABLED.

By This Acquisition Goulds Will Obtain a Tidewater Outlet—Terms of Purchase, \$8,750,000 in Ninety Days.

REPUBLIC SPECIAL. Baltimore, Md., April 28.—Without a dissenting vote the first branch of the City Council to-night passed to its third reading the Fuller, or Wabash, bid for the Western Maryland Railroad, and the second branch also gave it a second reading. This insures its passage to-morrow night.

The action was not unexpected, as a number of the Councilmen who have heretofore opposed the Fuller bid announced to-day that they would accede to the demands of the business organizations. When the ordinance was submitted to-night the Council chambers were crowded. President Sprosser of the first branch, who had been a persistent opponent of the Fuller syndicate, came from the floor and himself made the motion to table the bids of all other competitors and pass the Fuller ordinance to a second reading. This was unanimously adopted, and the ordinance was then ordered engrossed for a third reading.

In the second branch similar action was taken, and, but for a request by Major Venable for the postponement until to-morrow night so as to give him a chance to examine the charter of the West Virginia Central, with which the Western Maryland is finally passed. As it is, it will pass both branches to-morrow and be signed by the Mayor without delay.

By acquiring the Western Maryland the Wabash system will obtain a tidewater outlet. By the terms the buyers must pay \$8,750,000 in ninety days and complete building of terminals within eight years.

HOMEOPATHIC DOCTORS DIFFER ON QUESTION OF VACCINATION.

DOCTOR LEWIS P. CRUTCHER of Kansas City, General Secretary of the Missouri Institute of Homeopathy.

DOCTOR H. F. FISHER of Kansas City, Provincial Secretary of the Homeopath Convention.

The question of compulsory vaccination came up at the first day's session of the Missouri Institute of Homeopathy yesterday at the Southern Hotel, and a resolution asking that Mayor Wells veto any legislation to this effect was introduced, but defeated.

The morning was chiefly devoted to other matters, but a discussion upon the value of vaccination as a preventive of smallpox was informally started, and it waxed warm. Various physicians arose, telling of their experience in the use of the vaccine. Some said that they considered it of incalculable value, while others condemned it, and others condemned it.

Finally Doctor W. John Harris of this city, who is opposed to vaccination, introduced the resolution. It was argued at length, and the sentiment seemed to be against using the law to make vaccination general, but it was decided that the local physicians could not afford to meddle with local affairs.

Doctor George A. Mellis of this city, who was to have delivered the address of welcome to the assembled homeopaths, was unable to attend the session yesterday, and the address was postponed until to-day.

The afternoon was devoted to discussions and addresses upon scientific topics. The subjects treated and those who led the discussions were: "Specific Iritis," Doctor James A. Campbell of St. Louis; "Fitting Glasses," Doctor Frank B. Antroff of Jefferson City; "Etiology of Growth, Nerves and Methods of Diagnosis," Doctor J. Martine Korshak of St. Louis; "Operation of the Central Nervous System," Doctor Henry W. Roby of Topeka, Kas.; "Oculo-Motoric Nerve," Doctor J. C. Delpy of Kansas City, Mo.; "Super-Medication Illustrated," Doctor S. C. Delpy of Kansas City.
